About US

Goshen Art Gallery is an international art gallery that offers exquisite art works from Asia to the rest of the world. The gallery has in its collection over 8000 pieces of artworks by renowned local and international artists. Bridging cultures, philosophies, beliefs and imagination through fine paintings, sculptures and art installations, our strength is in curating art exhibitions, art commissioning, interior art consultancy, art leasing and corporate art programs.

Our Views About HR & Talent

We believe in bringing out the best in people from wherever they are. Skills can be cultivated and talent can be nurtured if one is willing. Staff will be trained in the areas of retail management, events management, social media marketing, valuable networking skills and opportunities, community services both locally and abroad.

Students' Feedback

Students who interned with us felt the internship was rewarding – the students are given opportunities to be nurtured in the area of fine art, high level networking events and contributing to our community with the resources we have.

How have we collaborated with IHLs

Via the SME Talent Programme, we have collaborated with several IHLs such as NAFA, LaSalle College of the Arts, Temasek Design School and NUS to offer internships.
