

INVADIE

CREATIVE SPACES, IMMERSIVE PLACES

About US

Invadie is a space content activation company that inspires and brings new content to the retail scene through creative solutions out of an ambitious dream.

Our Views About HR & Talent

We believe that all of our employees are assets to our company and we've been converting interns from the STP programme to our full-timers in Invadie.

Students' Feedback

The internship they had at Invadie were engaging and edifying and it's something that they could not learn in school. The internship prepared them for the future and an expectation of how workplace had of them as well.

How have we collaborated with IHLs

We have collaboration with IHLs in terms of participating in the internship programmes by NTU, NP, SP, NYP, TP and ITE by far. Till date, we've recruited 20 interns from Marketing, Design, Events Management, Business Development through the SME Talent Programme.
